Bone Mineral Densitometry

Radiology SA is now operating at Calvary Central Districts Hospital (CCDH). Part of the service provided at this newly equipped state-of-the-art site is DEXA Bone Mineral Densitometry (BMD). To assist you with caring for your patients we are pleased to supply you with a Medicare rebate guide for BMD. As with many services like Mammography and Ultrasound, provision of the appropriate details on referrals will ensure an efficient examination for the patient and minimise any out of pocket expenses.

If you have any questions regarding this service or its fee structure please feel free to contact the Technical Site Senior, Kim Smith at CCDH. For all enquiries or direct bookings please call CCDH direct on 08 8402 0202.

- Radiologist always on site
- Bulk billing for all pensioners and health care card holders
- Same day appointments
- Low dose technology

Images Online

Our staff can set up your computer so that the images can be seen as soon as they have been performed. This requires a good internet connection, otherwise is a totally free service and easy to use. Please email radiologysa@radiologysa.com.au for more information or installation.

Please Note Medicare Rebate for 70+

All males and females over the age of 70 are able to have a rebatable Bone Densitometry performed by a specialist or a consulting physician where the patient is referred by another medical practitioner.
